

## **A Special Mother**

To someone so special as you,  
Good hearted and ever so true.  
Your kids have all grown,  
And are out of the house.  
No longer loud noises,  
Just you and your spouse.

Hardworking, devoted & lovable too,  
To one of the best Mothers it's true.  
Just leave the dishes, the housework,  
And go get some rest!
