

The Little Ones

We are so cute,
We are so small,
Right now were short
Not very tall.

We are so smart,
Cause after all,
We are little ones,
And that is all!

Blue is for boys

Blue is for boys,
Or at least we are told.
There so strong and tough when
They play.
But deep down inside there lovable too,
And love their sisters in every way.

Pink is for girls,

Pink is for girls,
Or so how it goes,
With cute smiles and
Heads of curls.
There precious and sweet,
And they grow up complete.
